

Online seminar series: Your journey towards sustainable resilience

🔗 HDI Global SE → HDI Risk Consulting

Rethink Resilience. Drive the future.

Resilience Week by HDI Risk Consulting

Awarded the renowned **FERMA Award** as “**Training and Education Programme of the Year**” – a quality promise for outstanding content and genuine added value.

Benefit from our presentations on topics such as:

- Supply chain resilience – understanding and managing
- Ensuring the energy transition – successfully navigating transformation
- Energy shortages & grid outages – strategies that truly work
- NatCat analytics & captives – data-driven location decisions
- ARGOS 4.0 – modern natural hazard intelligence for greater clarity
- Cyquins – cyber resilience redefined for medium-sized businesses
